Kumeyaay Days

Dear Teachers,

Thank you for your interest in Indian Hills Camp's Kumeyaay Days Program! Through this special living history program, your students will take a trip back in time to experience a glimpse of what life would have been like for the Kumeyaay people living in Southern California. Your students will be a part of an interactive, educational game. Each student will join a tribe, learn about native plants used by the Kumeyaay, see real artifacts found here on site, practice native craftsmanship, learn archery and hear stories and folklore around a campfire.

The program is intended for 3rd grade classes studying the California history and covers CA State Standard 3.2 for Social Sciences.

We hope to see you here soon!

Kindest Regards,

IHC Program Team
